Flexhead Lights

12v / 50w

This matte silver light fixture measures 20" in length including bulb, with a flexible neck, allowing control of the lighting angle. The black cord measures 9 ½ feet. The chrome plated vertical squeeze clip attaches to any display with a vertical support bar. The light comes in a black, cylindrical carrying pouch, a mini transformer / AC adaptor and weighs 1 pound.

RTR-DL \$42.00 ea

Crane Lights

12v / 50w

Chrome light measures 13" and is adjustable with a 9 ½ foot cord. This light ships in a cardboard tube and is available in black and chrome. Total weight is 2 pounds.

KHL-BK (black) \$75.00 ea

KHL-CH (chrome) \$75.00 ea

Fluorescent Slimlites

10"- 7w / 13"- 10w / 20"- 18w

This is a compact snap-in light that is available in three lengths. It allows for continuous lines with a high light-output and an extremely low heat index. It includes a 6 foot cord and is available in a white housing with a cool white bulb. Plug-in modular system allows for continuous lighting. These attach directly to Abstracta tubes with Shelf Support Clips (613) that are mounted on the lighting themselves (clips are included in price). Total weight is 1.5 pounds (per light).

SLIM-10-CW-SW (10") \$100.00 ea

SLIM-13-CW-SW (13") \$105.00 ea

SLIM-20-CW-SW (20") \$115.00 ea

Telescoping Lights

12v / 50w

Telescoping lights clamp directly to the top bar of your Abstracta unit and adjust to illuminate the entire display in low light situations. The light is available in black and chrome and telescopes from 9" to 23". The cord measures 9 ½ feet. The compact 50 watt halogen bulbs have long life and are easily replaced. Total weight is 2 pounds.

KHL-5 (black) \$115.00 ea

KHL-10 (chrome) \$150.00 ea

Display Bright

DB 30111 - 12v / 50w

The Display Bright black spotlight is 6" long with a shade that is 3 ¼" in diameter. This light uses a low voltage (12v) quartz halogen 50 watt bulb (MR-16). Fully adjustable, it mounts in tight spaces and attaches directly to ½" diameter tubes. It can be attached directly to the Abstracta case or on a longer extended tube. It has its own UL listed plug-in transformer on a 9 foot cord. The bulb is included. Total weight is 1.5 pounds.

DB-Lighthead \$120.00 ea
